Student code\*

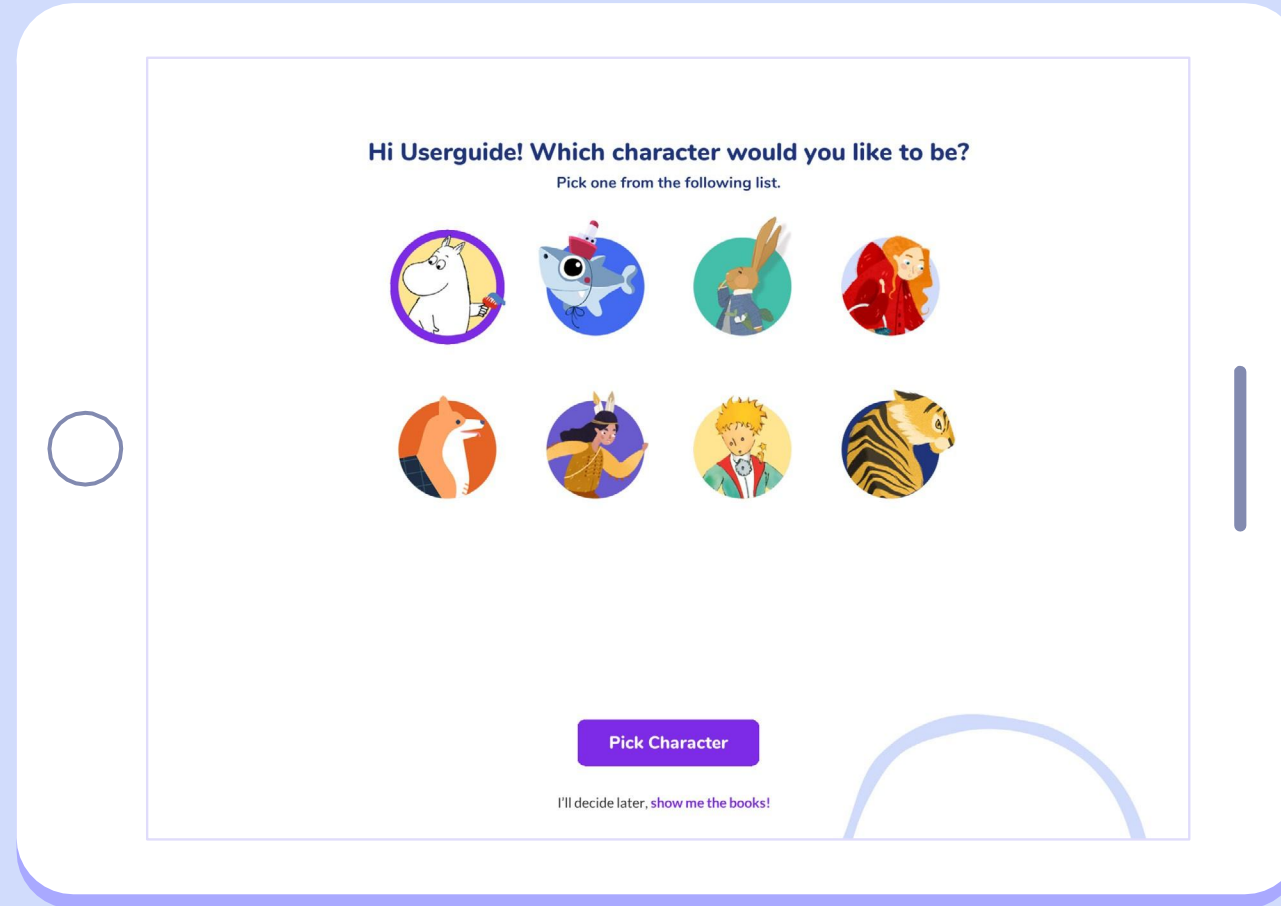

**Use Code**

The student code is automatically generated in the Teacher's Dashboard once a student is added to the school.

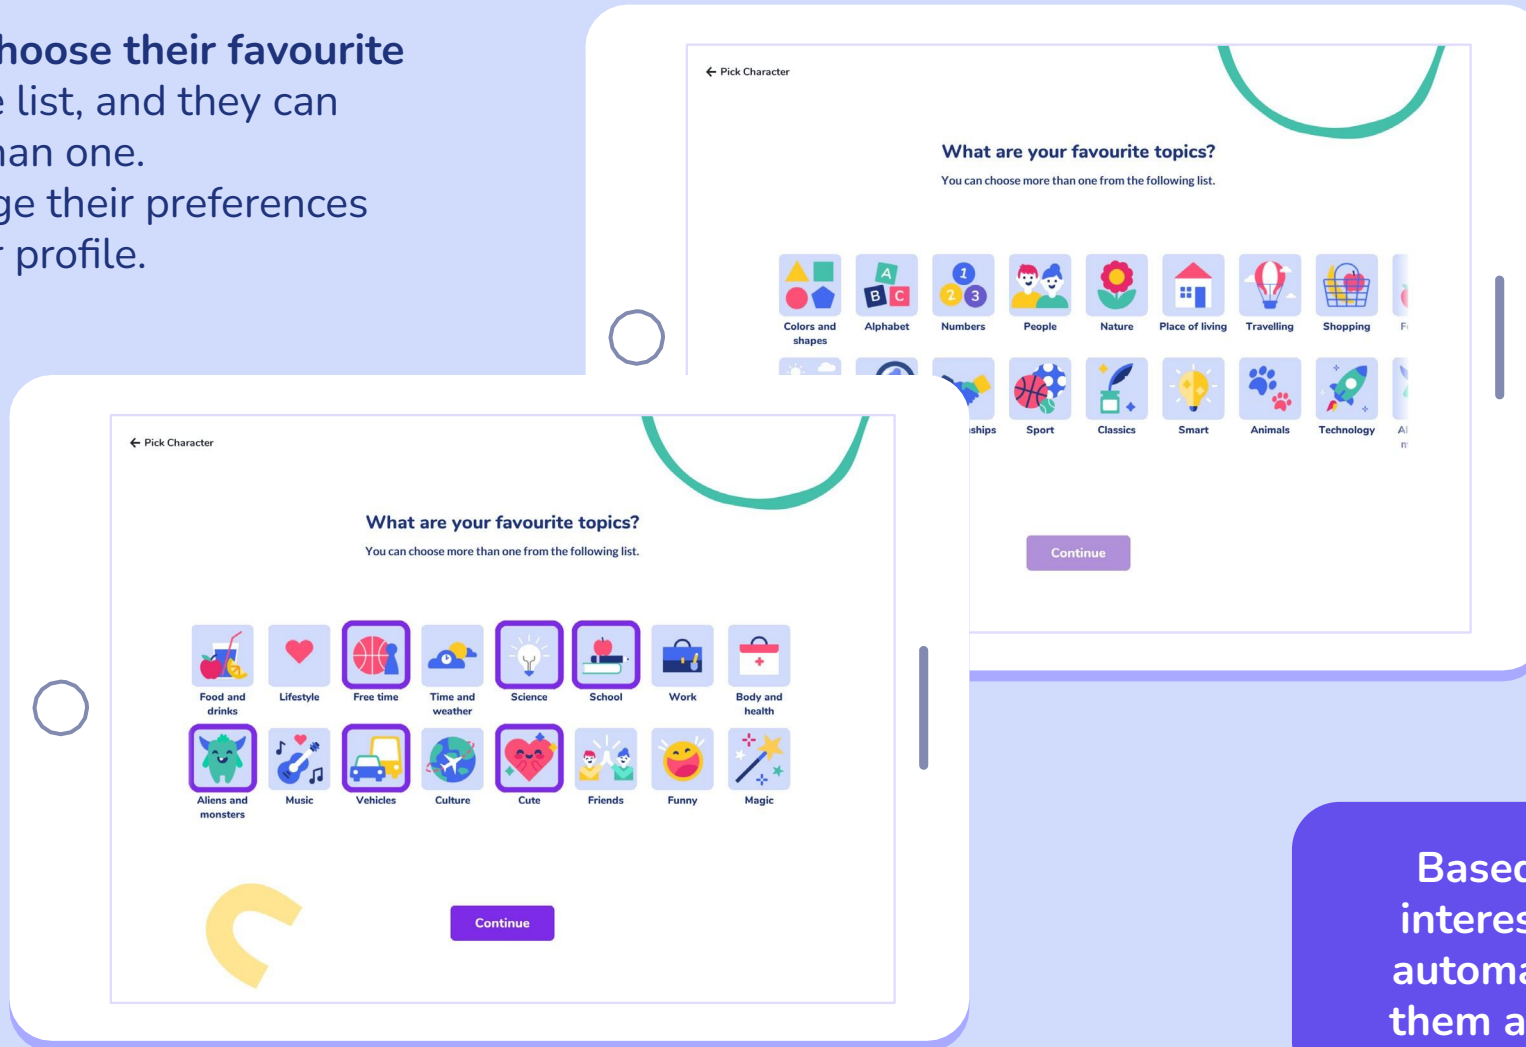

# First Login | Step 1 - Select your Avatar

When students log in for the first time, they can choose an avatar as a profile picture, which they can modify later on.

# First Login | Step 2 - Choose your Interests

Students can **choose their favourite topics** from the list, and they can choose more than one. They can change their preferences later on in their profile.

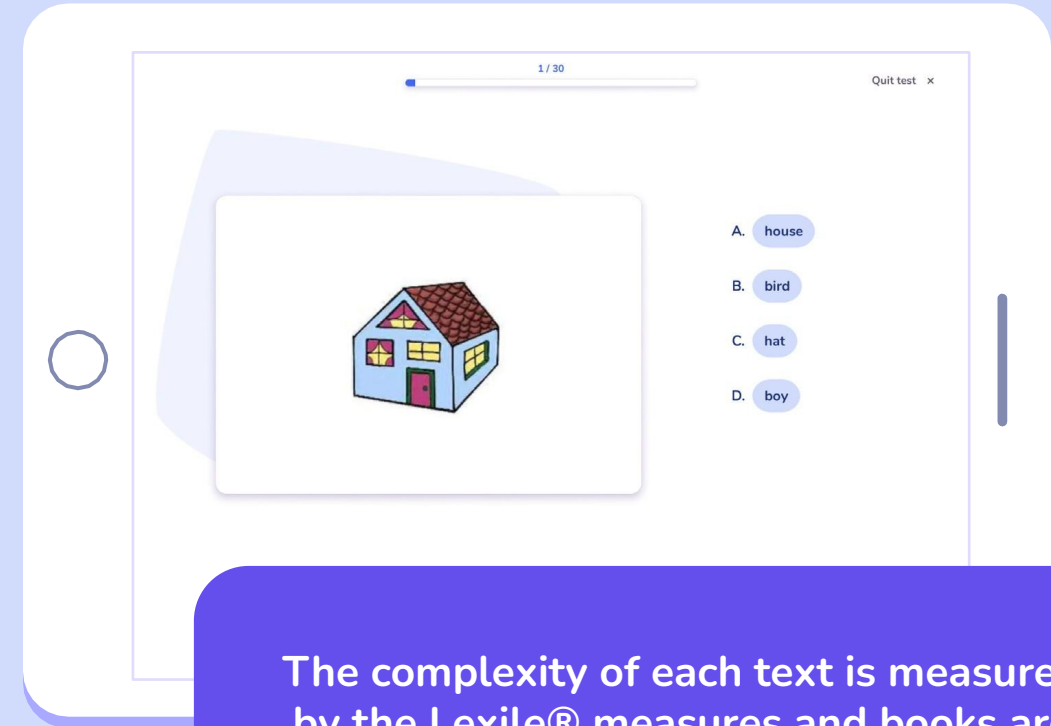

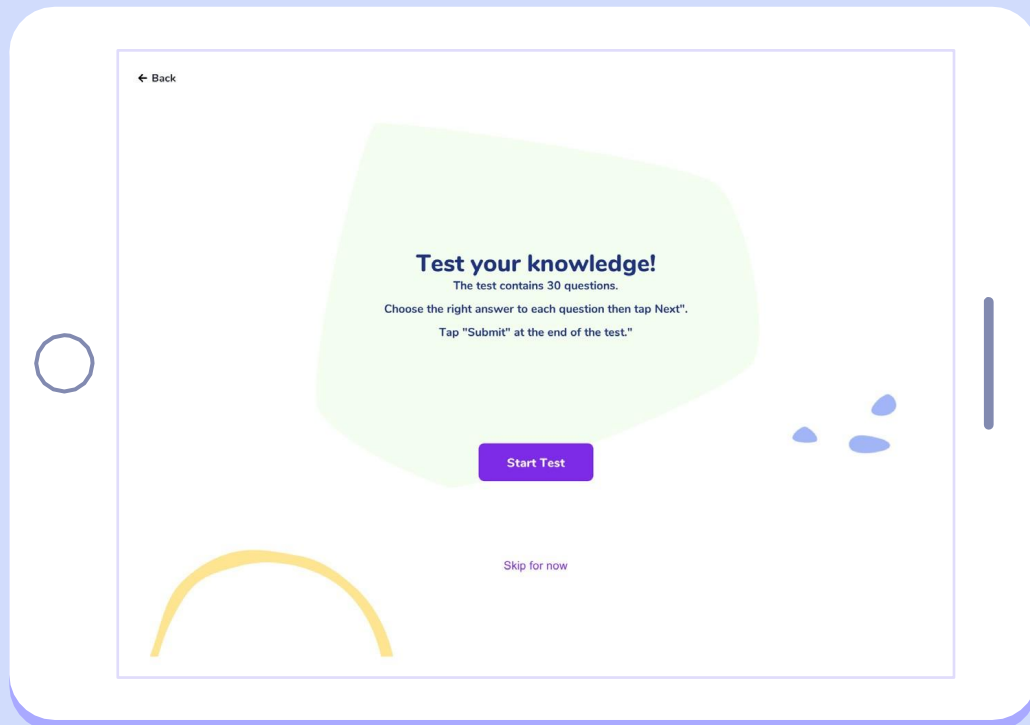

Based on their selected interests, the system will automatically recommend them a selection of books.

# First Login | Step 3 - Lexile Placement Test\*

Students can take the Lexile Placement Test by filling out a 30-question test to assess their reading skills. If they skip the test, they can complete it later from their profile.

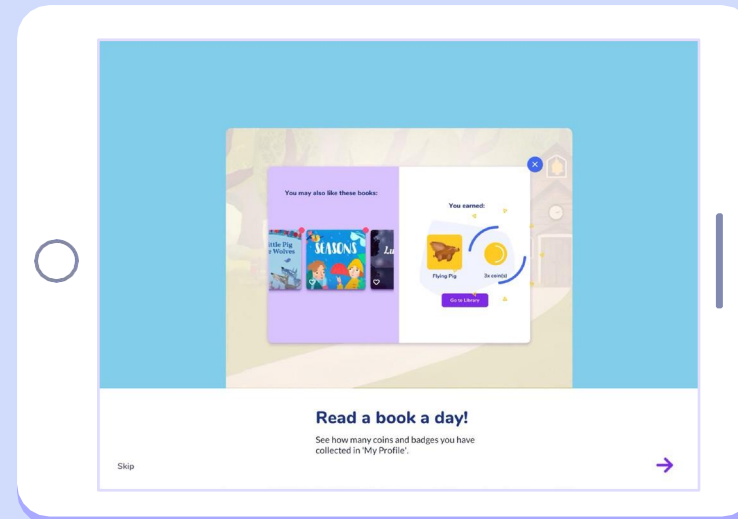

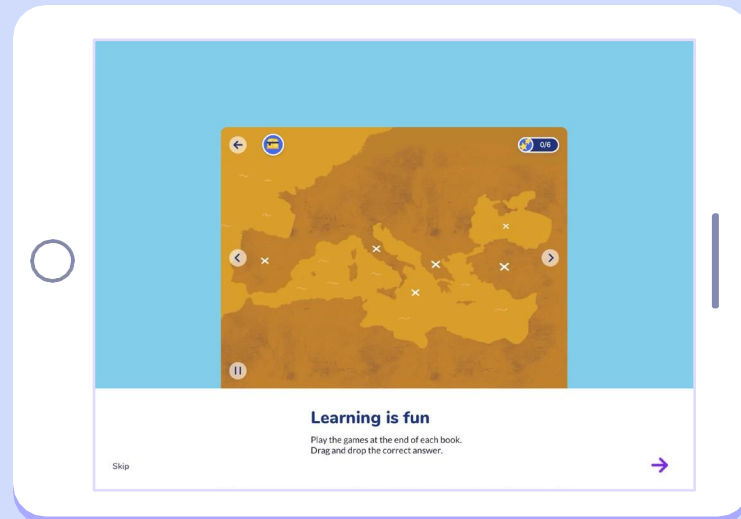

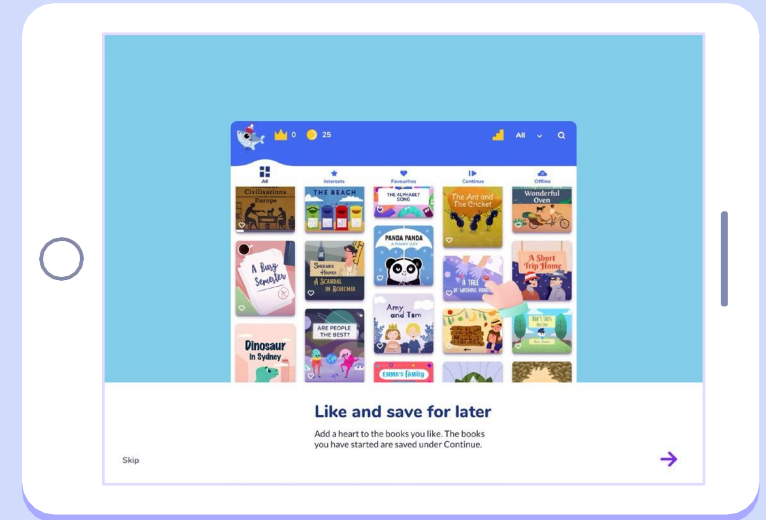

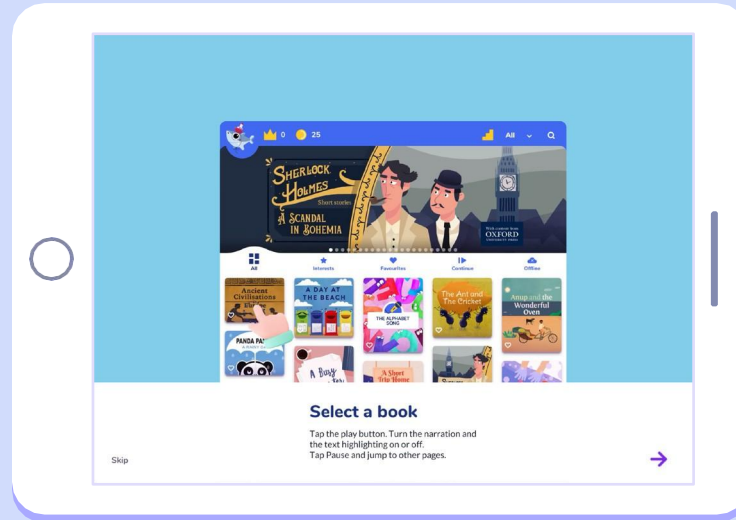

The complexity of each text is measured by the Lexile® measures and books are organized based on these scores. This scoring system is able to test students' skills as well. By completing the Lexile test, BOOKR directs students to the most relevant BOOKR Class level.

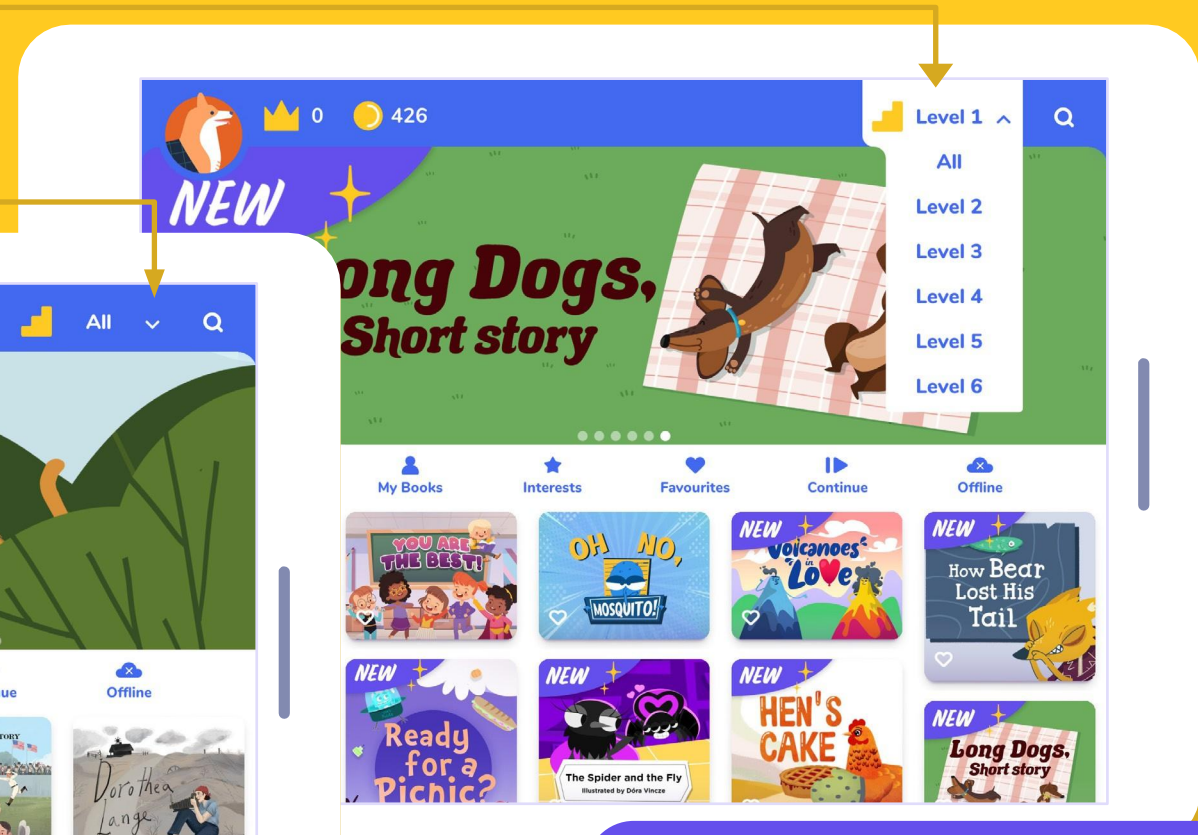

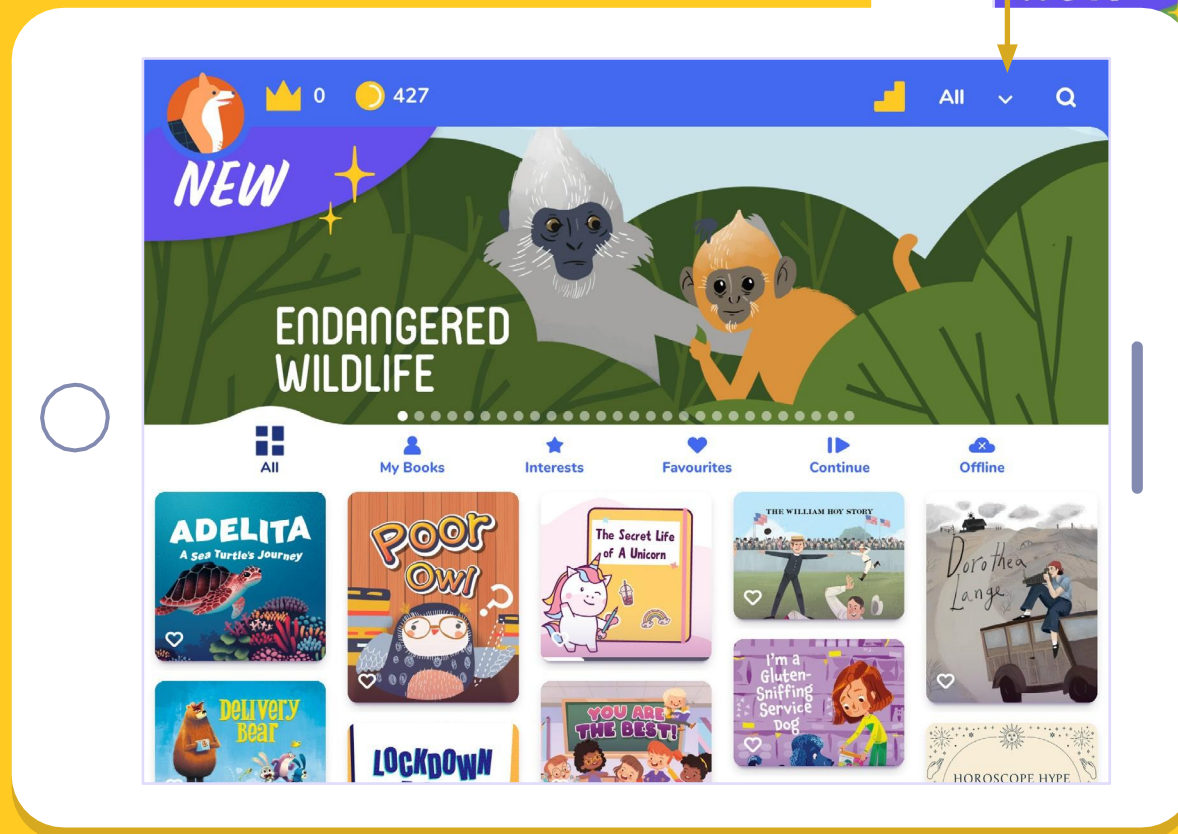

\*This feature is not available for every school.

# First Login | Step 4 - Tutorials

Students are recommended to **watch the short tutorial videos** when logging in for the first time.

Students are either automatically taken to a level based on their Lexile measure or they can freely browse and select a level.

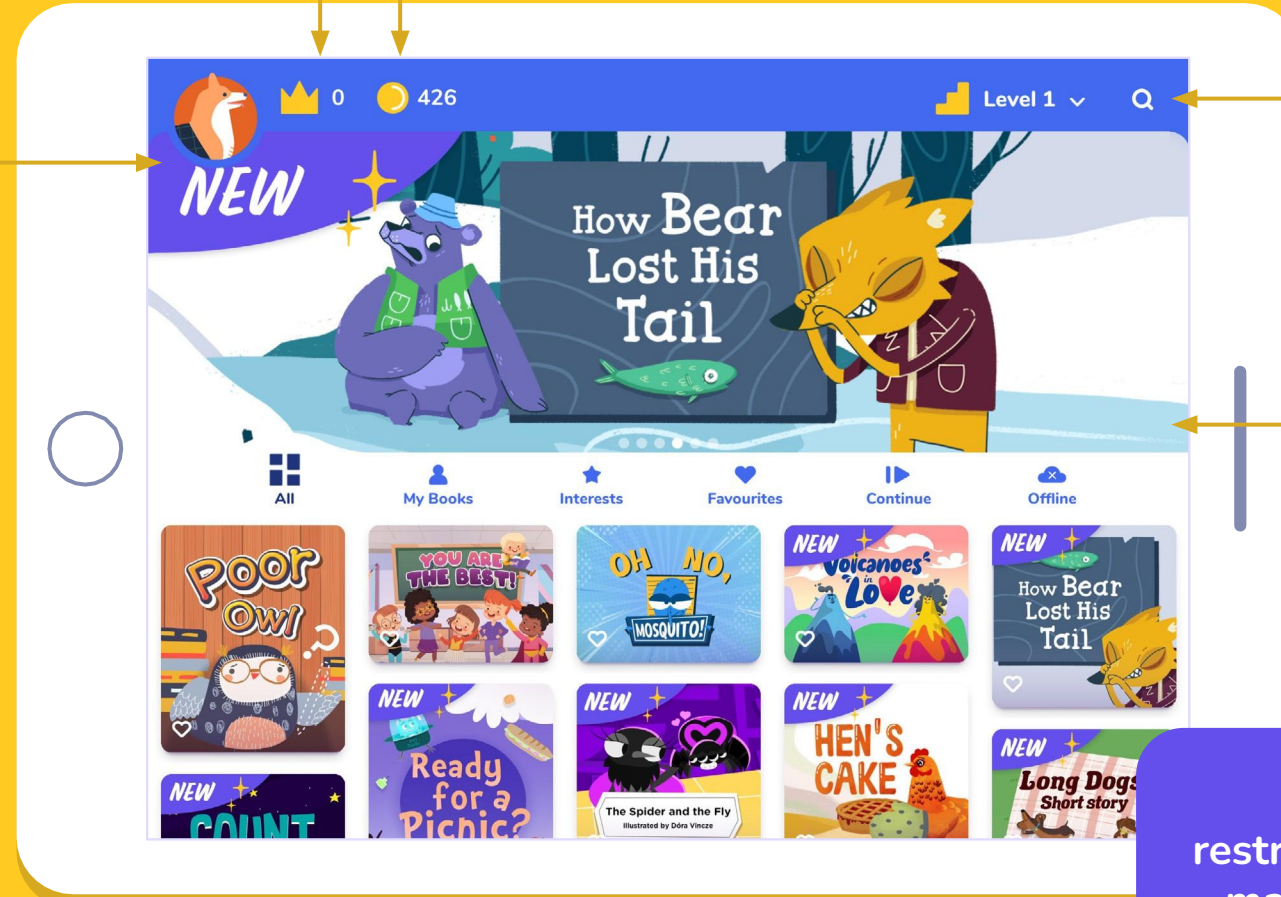

We continuously add new books to the Library, the new additions are marked with a 'NEW' badge.

# My Profile | Lexile Placement Test

The Lexile Placement Test is implemented in BOOKR Class, which students can take when they log in for the first time or from their personal profile any time.

The image displays two screenshots of the BOOKR Class app interface. The left screenshot shows the user's profile for Julie Andrews, Level 1 (-523L). A tooltip explains Lexile measures: "Lexile measures are recognized as the most widely used reading metric. It provides learners of all ages with a way to monitor their progress toward learning standards and goals. Based on the Lexile measure BOOKR Class places you in a level that fits your knowledge and skills." A "Start Test" button is visible in the top right. The right screenshot shows the test question: "1 / 30" and "Quit test x". The question features an image of a dog and four multiple-choice options: A. dog, B. snow, C. yard, D. house. A "Next" button is at the bottom right.

Search students by name or filter using the 5 different categories (Class, Level, Hidden level, Teacher, License status).

Based on your search, the result will appear in this table. To see more details, scroll right.

The screenshot shows the 'Students' section of the BOOKR CLASS dashboard. The sidebar on the left contains navigation options: Students, Teachers, School Admins, Licenses, Statistics, Books, Flashcards, Songs and Karaoke, Help Center, and Log out. The main content area displays the 'Students' section for Naomi Wang at Test School. It shows a total of 397 students in the school, with tabs for 'My students' and 'All students'. A search bar is available for finding students, and filters for Class, Level, Hidden Level, Teacher, and License status are provided. A table titled 'All Students (397)' is shown, with columns for Name, Class, Level, Lexile level, Hidden levels, Teachers, License status, and Action. The first row in the table shows a student named Roland Zoo in class 11/a, with Lexile level 1,2 and a 'Manage student' link.

**Add/Extend License:** Assign active licenses or extend already assigned ones to your students, which you can choose from your school's purchased license pool. Only those students who have an active license can access all books in the library app.

**Remove License:** If you would like to re-assign a license to another students, first remove it.

**Assign Books:** Choose the book you would like to assign to student(s). Once the students enter the app, they will receive a pop-up notification of the assignment, and the book will also appear in the "My Books" section

**Hide Levels:** If you would like to hide certain levels from the students, select the levels from the list.

**Unhide Levels:** Unhide previously hidden levels.

**Assign Student to Class:** Create classes and assign students to them. This way, you can manage them by class.

**Export Student Data:** Download an Excel sheet with your student's general account data.

**Delete Student:** If you delete a student, all their reading data will be permanently lost and cannot be restored.

The screenshot shows the BOOKR CLASS interface for a user named Naomi Wang at Test School. The main content area is titled 'Students' and displays a summary card indicating 'Total number of students in school: 397'. Below this, there are tabs for 'My students' and 'All students', and a search bar for students. A filter bar allows selection by Class, Level, Hidden Level, Teacher, and License status. A table titled 'All Students (397)' is visible, with columns for Name, Class, Level, Lexile level, Hidden levels, Teachers, License, and Action. The first row shows a student named Roland Zoo in class 11/a with Lexile levels 1,2 and a 'Manage student' action link. Two callout boxes are present: one pointing to the 'Import Students' button (with a blue 'i' icon) and another pointing to the '+ Add New Student' button.

To register a new student fill out the form and click 'Create Profile'. After this, the student code will automatically appear. First name, last name and birth year are mandatory fields, while the rest is optional.

# Teacher's Dashboard Functions | Licenses

- Every user in the BOOKR Class system needs to have a **valid license** in order to use the app and/or Teacher's Dashboard.
- You can be a registered user and not have a license. In this case you are not able to access all the books in the library even though you have an account.  
If you are a teacher without a valid license, you do not have access to the Library app but can access the Teacher's Dashboard.
- It's important to remember the end date of the licence and renew it before it ends.
- Each license has a start and end date, starting from the date your school has requested.
- You as a teacher can add or remove student licenses any time.
- Teacher licenses are managed by the School Admin appointed by the school.

See a summary of licences that your school has purchased.

A license can be re-assigned to another user as many times as a teacher wants within its expiry.

Search users by name or use the filters.

See the current 'Licence status' here.

The screenshot shows the 'Licenses' section of the BOOKR CLASS dashboard. At the top, there are four summary cards: 'All users' (426), 'Active licenses' (116), 'Licences starting in less than 7 days' (0), and 'Licences expiring in less than 7 days' (0). Below these are search bars for 'Search for teacher or student', 'Search for email', and 'Search for student code'. There are also filters for 'Type' (set to Student), 'Class' (set to 1/b), and 'License status'. The main table displays a list of licenses with columns for Name, Type, Student Code, Class, Licence status, and Actions. The 'Licence status' column shows 'Active' for most entries and 'Missing' for one. The 'Actions' column contains a 'Manage license' link for each entry.

	Name ↑	Type	Student Code	Class	Licence status	St	Actions
<input type="checkbox"/>	Adam Sendanote	Student	zpFa2EE06M	1/b	Active	01	Manage license ▾
<input type="checkbox"/>	Anna Boleyn	Student	jQWLfOE0zf	1/b, 10	Active	01	Manage license ▾

<input type="checkbox"/>	Barbara Schmidt	Student	5pXxtgnFdu	1/b, 4/b	Missing	N/	Manage license ▾

## License statuses:

**Active:** shows students that have full access to the Library App and can read all the books.

**Missing:** means the ones who can't access all the books in the Library App.

**Not yet started:** the license start date is in the future.

**Expired:** the license has passed its expiry date.

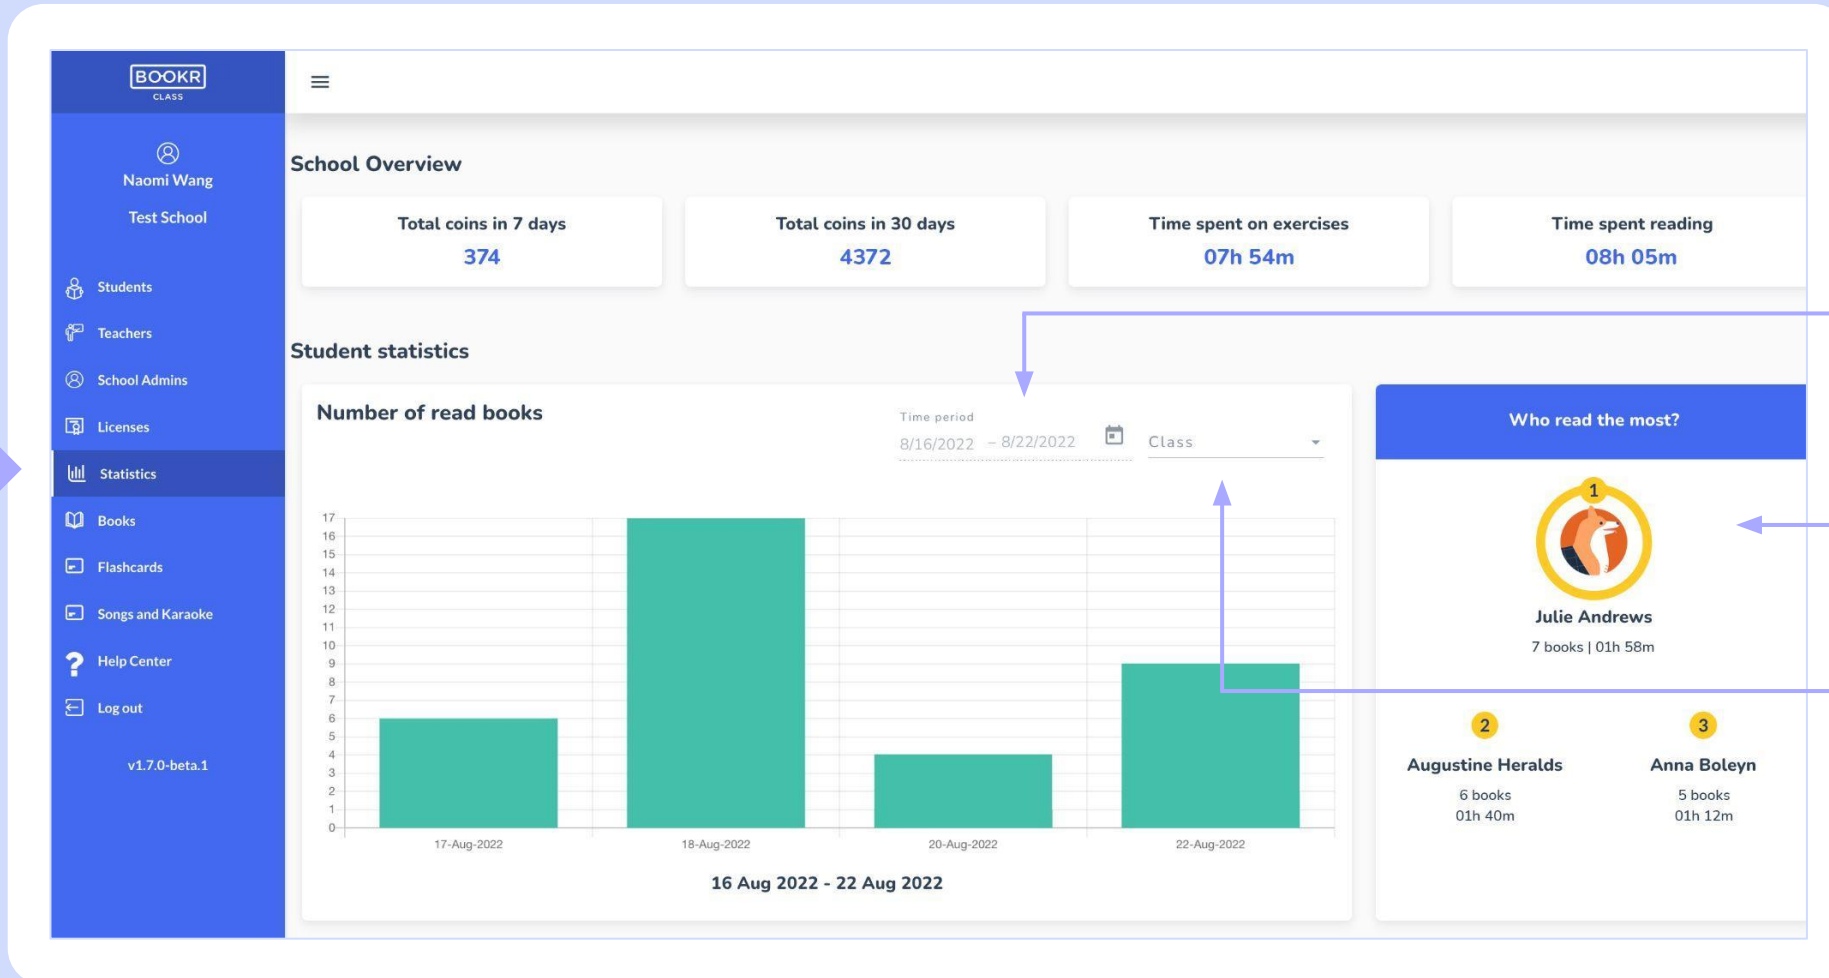

The screenshot shows the BOOKR CLASS interface. The sidebar on the left contains navigation options: Students, Teachers, School Admins, Licenses (highlighted), Statistics, Books, Flashcards, Songs and Karaoke, Help Center, and Log out. The top summary section displays four cards: All users (426), Active licenses (116), Licences starting in less than 7 days (0), and Licences expiring in less than 7 days (0). Below these are search filters for teacher/student, email, student code, Type (Student), Class (1/b), and License status. The main table shows a list of licenses with columns for Name, Type, Student Code, Class, Licence status, and Actions. The 'Missing' status for Anna Boleyn is highlighted with a red box, and a red arrow points to the 'Manage license' dropdown for that row.

	Name ↑	Type	Student Code	Class	Licence status	St	Actions
<input type="checkbox"/>	Adam Sendanote	Student	zpFa2EE06M	1/b	Active	01	Manage license ▾
<input checked="" type="checkbox"/>	Anna Boleyn	Student	jQWLF0E0zf	1/b, 10	Missing	01	Manage license ▾
