The screenshot shows the 'Assign to student' interface. At the top, there are tabs for 'Books', 'Flashcards', and 'Karaoke'. Below the tabs is a search bar labeled 'Search for books'. Underneath the search bar are filter dropdowns for 'Level', 'Genre', 'Topic', and 'Grammar'. The main content area is titled 'All Books (274)' and contains a table of books. Each row has a checkbox in the first column, followed by the book's title, level, genre, topic, grammar points, accent, and an 'Assign' button. A green arrow points to the 'Assign selected' button in the top right corner of the table. Another green arrow points to the checkboxes in the first column of the table, indicating that books are being selected.
