Statistics of the amount of books the student read in a set amount of time.

If you hover your mouse over a column you will see the amount of books read on the given day.

Set the time period from which you'd like to generate the student's reading statistics.

Find the profile page of the student.

Scroll down on the student's individual statistic page and you'll find data about their reading activity. Scroll the chart right to see more.

The screenshot shows the 'Reading statistics' interface. On the left is a blue sidebar with navigation links: Students, Licenses, Statistics (highlighted with a green arrow), Books, Flashcards, Karaoke, My profile, and Log out. The main content area has two tabs: 'Assigned books' and 'All books read' (selected). Below the tabs is a search bar labeled 'Search for book'. Further down are filters for 'Reading status' (a dropdown menu) and 'Time period' (a date range selector with a calendar icon and a close 'X' button). The bottom section is a table of reading data.
