Click 'Students' and  
find all your students  
in the chart.

The screenshot displays the 'Students' management interface. At the top, it shows the total number of students in the school (151) and options to 'Import Students' and '+ Add New Student'. Below this, there are filters for 'My students' and 'All students', a search bar, and dropdown menus for 'Class', 'Level', 'Teacher' (set to Naomi Wang), and 'License status'. The main section is titled 'All Students (151)' and contains a table with columns for Name, Level, Lexile level, Teachers, Licence, Exp. Date, Student code, Parent's Name, and Action. A green arrow points from the 'Student code' column header to a green callout box labeled 'Student codes'.
